

The Shipman Mansion invites you on a (virtual) cruise....

...along Germany's Havel River

Our guide for this river excursion will be Delanco's Mark Hall, an accomplished photographer who has lived much of his life in Germany. Along the way, he will talk about the old towns, modern cities bustling with life, such as Potsdam with its Bridge of Spies, elegant parks, remote villages, ancient churches and much quiet, peaceful countryside

Departing Wednesday, November 15th, 7:00pm

Admission to the voyage from Brandenburg to the city of Mirow is free. Also free are tours of the historic Shipman Mansion, beginning at 6 p.m. at 221 Edgewater Avenue, Edgewater Park. Call Norma Carter for more information at 856-986-7969

The program is presented by the non-profit Shipman Mansion Foundation and is part of a year-round series of talks and concerts offered to carry out the foundation's mission: To preserve, investigate and present to the public the cultural, architectural and maritime history of the region.
